

## **November 26, 2025: On Investigating the 'Good Guys' Gone Bad**

As I continue to endure an ongoing **psychological warfare operation** being **waged against my home from inside of the American government**, I am investigating the existence of such operations, the role these operations have played in actual warfare against 'enemies' and I am also finding that **it is alleged to have been used to manipulate politicians into giving them more money** - just as I have been alleging!

I AM ALERTING THE WORLD THAT I AM EXPERIENCING WHAT CAN ONLY BE DEFINED AS A **COUP DE TAT IN AMERICA** OVER ALL ELEMENTS THAT CAN HELP ME RID MY HOME OF THE UNLAWFUL INFLUENCE CAMPAIGN BEING EXERTED AGAINST US!

The U.S. Army illegally ordered a team of soldiers specializing in "psychological operations" to manipulate visiting American senators into providing more troops and funding for the war, *Rolling Stone* has learned – and when an officer tried to stop the operation, he was railroaded by military investigators.

### **The Runaway General: The Rolling Stone Profile of Stanley McChrystal That Changed History**

The orders came from the command of Lt. Gen. William Caldwell, a three-star general in charge of training Afghan troops – the linchpin of U.S. strategy in the war. Over a four-month period last year, a military cell devoted to what is known as "information operations" at Camp Eggers in Kabul was repeatedly pressured to target visiting senators and other VIPs who met with Caldwell. When the unit resisted the order, arguing that it violated U.S. laws prohibiting the use of propaganda against American citizens, it was subjected to a campaign of retaliation.
